

Supporting Your Teen through the O-Levels Results Release

Dear Parents/Guardians,

The 2024 O-Level results will be released soon. Regardless of the outcome, it is important for our teens to know that they are loved for the person that they have grown up to be, and that their grades do not define who they are in our eyes.

The support you offer your teen during this milestone is especially necessary and valuable in helping your teen manage emotions and be positive when deciding on next steps.

All students are to return to their Secondary schools to collect their results. Those who are unable to collect their results in person can appoint a proxy to collect a physical copy of their results from the school. Proxies are required to produce the relevant documents for the school's verification when collecting the results.
